CORPORATE CHAIR MASSAGE

Business Owners and HR Professionals—Are you looking for a new benefit to offer your employees? Massage Hope invites you to experience the benefits of a Corporate Massage Event at your office!

BENEFITS OF CORPORATE MASSAGE

- BUILD MORALE
- INCREASE PRODUCTIVITY
- REDUCE OFFICE STRESS
- SHOW YOUR EMPLOYEES THAT THE COMPANY CARES ABOUT THEIR WELLBEING
- SET YOUR BUSINESS APART FROM COMPETITORS

Our ergonomic massage chair is so comfortable that some clients actually prefer it over the luxurious, heated tables in our office! You will be surprised at how much a professional 10-15 minute chair massage can release tension in your employees' neck, back and shoulders leaving them refreshed, energized and ready to conquer the stack of work back on their desk.

Basic Pricing

- \$75 per hour for each additional massage therapist
